

Animal Haven Facts

Established in 1966, Animal Haven is one of greater Kansas City's largest no-kill animal shelters.

In 2008, 3,695 pets came through Animal Haven's doors. Of those, 1,074 were reclaimed and 2,117 were adopted.

Animal Haven serves as a home between homes for as long as the animal needs it and never euthanizes for space.

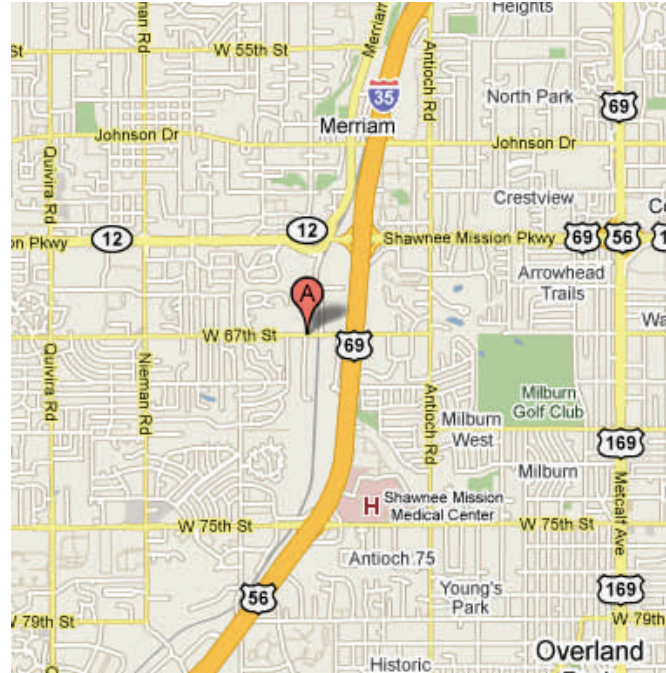

Our Vision: A lifelong, caring home for every pet

Our Mission: To provide a higher quality of life for homeless pets through adoption, education and collaboration with our animal welfare community.

Can I Stay at Your Place?

Make this holiday season special for a pet in need.

- All pets are ready for adoption.
- No long-term commitment! Pick up your foster pet from the shelter between December 20 and December 22.
- After the holiday, return your foster to the shelter between December 28 and December 30.

As a special thanks, foster parents have the option to adopt your foster pet for half price after the event or continue in our traditional foster care program.

Can't Foster?

Here are some other ways to help.

Spread the word. Tell your friends and coworkers about Animal Haven's holiday foster program. It is a great way to do something special for the holidays and an opportunity to meet a new best friend.

Donate. Animal Haven is always in need of blankets, towels, toys, treats and other pet products for our four legged friends. Money is great, too. It costs about \$235 to care for a single pet for a one week. We have between 300 and 400 of them to take care of.

Host a charitable holiday party.

Instead of gag gifts and party favors, have guests bring donations for Animal Haven. It can be a great way to have fun and make a difference.

Volunteer. We always need more help at the shelter. You can help by socializing cats, exercising dogs, assisting with adoptions, and more.

How do I Participate?

Apply today! We need your application no later than Friday, December 19. You can get your application

- Online—www.animalhavenkc.org
- At the shelter
- At our Oak Park Mall location

Once we get your application, we will contact you to schedule a pick up time for your foster pet.
